Notwithstanding the foregoing, no animals or fowl of any size or type may be kept on the Property which result in an annoyance or are obnoxious by noise or otherwise to Unit Owners. Animals shall not be allowed on Common Area grass or parking areas without a leash, nor shall they become a nuisance, and Owners shall promptly clean up after their animals. Animals are not allowed in the clubhouse or pool area. The Committee may adopt additional rules and regulations regarding animals.

6.3 Leasing of Units.

All leases shall be for in writing and be subject to the Governing Documents and any failure by the lessee to comply with the terms of such documents shall be a default under the Lease. All leases must be for an initial term of no less than one (1) year and a copy of the fully executed lease agreement must be provided to the Management Committee within ten (10) days of execution.

6.4 Vehicles; Parking.

Garages and driveways shall be used by the Owners, their guests or tenants for the parking or storage of operable motor vehicles only. Any other use must be approved in writing by the Management Committee.

No Owners or occupants shall repair or restore any vehicle of any kind upon Common Area, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility. No garage may be altered or used in such a manner that the number of automobiles which may reasonably be parked therein after the alteration or use is less than the number of automobiles that could have been reasonably parked in the garage as originally constructed. No motor vehicle or trailer, including but not limited to any automobile, commercial vehicle, truck, tractor, mobile home or trailer (either with or without wheels), camper, camper trailers, boat or other watercraft, boat trailer, or any other transportation device of any kind may be parked or stationed in front of any garage, walkway or Unit, or on any driveway or Common Area. The Association may adopt further rules and restrictions regarding parking and vehicles within the Property and to govern the enforcement of parking and vehicle restrictions.

6.5 Window Coverings.

The Association may establish rules regarding draperies, blinds, shades and other interior window coverings to regulate their appearance from the exterior of buildings. No tinted windows shall be permitted. Aluminum foil, newspapers, reflective film coatings, or any other similar materials may not be used to cover the windows in any Unit. All windows and window panes must be harmonious, and comparable in size, design and quality to the other Units in the Community.

6.6 Modifications to Unit or Common Area.

No interior changes to a Unit shall be performed unless a building permit is first obtained, if one is required by a local authority, a copy of which is provided to the Association, and approval for the changes is given by the Association. No Unit shall be subdivided, and no Units shall be combined unless permitted by law and the Management Committee. If combined, Units shall continue to be assessed separately. No exterior changes whatsoever shall be commenced, erected, maintained, made or done, including modifying, painting or decorating any portion of the exterior of the Unit or of the building in which the Unit is located, without the prior written approval of the Association. No structural changes whatsoever to any Unit, and no plumbing, electrical and similar work within Common Area, shall be commenced, erected, maintained, made or done without the prior written approval of the Association. By way of illustration but not limitation the following are considered interior structural changes: moving, removing, adding, or altering windows, walls, doorways, and the like.

6.7 Signs, Attachments.

No Unit Owner shall cause or permit anything (including, without limitation, an awning, canopy, shutter, storm door, screen door) to hang, be displayed, be visible or otherwise be placed on the exterior walls or roof of any building or any part thereof, or on the outside of windows or doors, without the prior written consent of the Management Committee. No sign of any kind shall be displayed to the public view on or from any Unit or the Common Areas, with the exception of a single sign no larger than three (3) square feet for the Owner to advertise the Owner's Unit for sale. No other sign is allowed, including but not limited to for rent, for lease, commercial, political, informational, or directional signage. The Association may from time to time, by Rule, restrict or prohibit the display of other attachments, signs, advertisements, posters, flags and banners of any kind displayed to the public view on or from any Unit or the Common Area based on objective criteria such as promoting unlawful activities and as consistent with the Act.

6.8 Offensive Activities, Prohibited Behavior and Use.

No noxious or offensive activity, including commercial business enterprises shall be carried on, created or maintained in, on or about any Unit or the Common Areas, nor shall anything be done therein which may be or becomes an annoyance, disturbance or nuisance to other Owners or occupants. Special activities in the Common Area (other than those conducted exclusively within the confines of a Unit) require the prior written consent of the Management Committee.

It shall be the responsibility of each Owner and resident to prevent the creation or maintenance of a nuisance in, on or about the Property. The term "nuisance" includes the following: (1) the development of any unclean, unhealthy, unsightly, or unkempt condition on or in the Property; (2) the storage of any item, property or thing that causes any Unit or the Common Area to appear to be in an unclean or untidy condition or that is noxious to the senses, that emits any foul, unpleasant or noxious odors, or that causes any noise or other condition that disturbs or might disturb the peace, quiet, safety, comfort, or serenity of the other residents of the Property; (3) actions or activities tending to cause embarrassment, discomfort, annoyance, distress or a disturbance to any other residents, their guests or invitees, particularly if the police must be called to restore order; (4) maintaining any plants, animals, devices or items, instruments, equipment, machinery, fixtures, conditions or things of any sort whose activities or

existence in any way is illegal, noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish the enjoyment of the Community by other residents, their guests or invitees; and (5) too much noise or traffic in, on or about any Unit or the Common Area, especially after 10:00 pm and before 8:00 am. No unlawful use shall be made of any part of the Property, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. Nothing shall be done or kept within any Unit or on the Common Areas which will increase the cost of insurance to the Association or to other Owners or which will result in cancellation of insurance on any Unit.

6.9 Antennas/Dishes.

Satellite dishes and antennas are not allowed on decks or balconies.

6.10 Temporary Structures or Equipment.

No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any Common Area at any time. No clothes lines, clothing racks, or other apparatus on which clothes, rags, or other items are exposed for the purpose of drying or airing shall be located on, and no rugs, rags, laundry, or other clothing or materials shall be allowed to hang from or within, the Property, except within a Unit or Limited Common Area screened from view from any other Unit, Common Area or the public.

6.11 Rubbish and Trash.

No garbage, trash, or other waste may be kept or maintained on any part of the Property outside a Unit except in a sanitary container as specified by the Association. All rubbish, trash, refuse, waste, debris and garbage shall be regularly removed from the Unit and its Limited Common Area and shall not be allowed to accumulate therein.

6.12 Association Rules and Regulations.

In addition to the restrictions and requirements above, and consistent with the Act, Sections 8 and 8.1 (as amended from time to time) the Association may regularly adopt and repeal such Rules and Regulations governing the conduct of persons and the operation, aesthetics and use of the Units and Common Areas, including Limited Common Areas, as it may deem necessary or appropriate in order to assure the peaceful and orderly use and enjoyment of the Property and the accomplishment of the purposes of the Association and the Community.

ARTICLE VII - INSURANCE

7.1 Association Insurance.

(a) Property and Liability Insurance. As required by the Act, the Association shall maintain a master insurance policy which includes: (1) blanket property insurance with not less than 100% of the full replacement cost for the physical structures in the condominium project, including Common Areas and Facilities, Limited Common Areas and Facilities, and Units, and including fixtures, improvements and betterments to a Unit made by a Unit Owner, insuring against all risks of direct physical loss commonly insured against, including fire and extended coverage perils; and (2) liability insurance having at least a One Million Dollar (\$1,000,000.00) limit per total claims that arise from the same occurrence, including medical payments insurance

covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the Common Areas and Facilities.

(1) The Association's property insurance shall include coverage for any fixture, improvement, or betterment installed by a Unit Owner to a Unit or to a Limited Common Area, including a floor covering, cabinet, light fixture, electrical fixture, heating or plumbing fixture, paint, wall covering, window, and any other item permanently part of or affixed to a Unit or to a Limited Common Area element associated with a Unit.

(2) Each Unit Owner is an insured person under the Association's property insurance policy. Each Unit Owner is an insured person under a liability insurance policy that the Association obtains, but only for liability arising from: (1) the Unit Owner's Percentage Interest in the Common Areas and Facilities, (2) maintenance, repair, or replacement of Common Areas and Facilities, and (3) the Unit Owner's membership in the Association.

(b) Fidelity Insurance or Bond. The Association shall obtain and maintain adequate fidelity coverage to protect against dishonest acts by its officers, members of the Management Committee, employees, and all others who are responsible for handling funds of the Association, including any property manager. Such fidelity coverage shall: (i) name the Association as an obligee; (ii) not be less than the estimated maximum of funds, including reserve funds, in the custody of the Association or managing agent, as the case may be, at any given time, and shall in no event be in an amount less than three months assessments on all Units plus reserves; (iii) contain an appropriate endorsement(s) to the policy to cover any persons who serve without compensation if the policy would not otherwise cover volunteers, and to cover the Association's management agent, if the Association has delegated some or all of the responsibility for the handling of funds to a management agent; (iv) provide that coverage may not be canceled or substantially modified (including cancellation for nonpayment of premiums) without at least ten days prior written notice to the Association or any insurance trustee.

(c) Flood Insurance. If any portion of the Project is deemed to be located within an area which has been officially identified by the Secretary of Housing and Urban Development as having special flood hazards and for which flood insurance has been made available under the National Flood Insurance Program, the Association shall be required to obtain and pay the premiums upon a "master" or "blanket" policy of flood insurance on the buildings and any other property covered by the required form of policy in an amount deemed appropriate by the Association but not less than the lesser of: (1) the maximum coverage available under the NFIP for all buildings and other insurable property within the condominium to the extent that such buildings and other insurable property are within an area having special flood hazards; or (2) 100% of current replacement cost of all such buildings and other insurable property within such area.

(d) Directors and Officers (D&O) Insurance. The Association shall purchase and maintain insurance on behalf of any person who was or is a Management Committee member or officer of the Association, and any other person the Association is required by law or contract to indemnify, against any liability asserted against him or her or incurred by him or her in any such

capacity or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability under the laws of the state of Utah, as the same may hereafter be amended or modified.

(e) Other Insurance. The Association shall obtain such other insurance if and to the extent required by law or as the Management Committee deems necessary from time to time, such as earthquake or workers' compensation insurance.

(f) Loss Not Exceeding Deductible. If, in the exercise of the business judgment rule, the Management Committee determines that a covered loss is likely not to exceed the policy deductible of the Association and until the covered loss exceeds the deductible of the property insurance of the Association and a claim is submitted to the property insurance insurer of the Association: (i) for a Unit to which a loss occurs, the Unit Owner's policy is considered the policy for primary coverage for the damage to that Unit; (ii) the Association shall pay for any loss for any Common Areas and Facilities for which a loss occurs; (iii) a Unit Owner who does not have a policy to cover the damage to that Unit Owner's Unit is responsible for that Unit damage and the Association may, as provided herein, recover any payments the Association makes to remediate that Unit, and (iv) the Association need not tender the claim to the Association's insurer.

(g) The Association shall set aside an amount equal to the amount of the Association's property insurance policy deductible or \$10,000.00, whichever is less.

(h) An insurer under a property insurance policy issued to the Association shall adjust with the Association a loss covered under the Association's policy.

(i) Loss Due to Fault of Another. This Declaration does not prevent a person suffering a loss as a result of damage to property from asserting a claim, either directly or through subrogation, for the loss against a person at fault for the loss, except that, notwithstanding the foregoing, an insurer under a property insurance policy or liability insurance policy obtained by the Association waives the insurer's right to subrogation under the policy against: (1) any person residing with the Unit Owner, if the Unit Owner resides in the Unit, and (2) the Unit Owner.

(j) Power of Attorney, Insurance Trustee. The Association may enter into an insurance trust agreement with a trustee (the "Insurance Trustee") who shall thereafter have exclusive authority to negotiate losses under any policy providing property or liability insurance and to perform such other functions as are necessary to accomplish this purpose. By purchasing a Unit, all Owners appoint the Association, or any Insurance Trustee designated by the Association, as attorney-in-fact for the purpose of purchasing and maintaining the insurance specified in this section, including: (1) the collection and appropriate disposition of the proceeds thereof; (2) the negotiation of losses and execution of releases of liability; (3) the execution of all documents; and (4) the performance of all other acts necessary to accomplish such purpose. By purchasing a Unit, all Owners appoint the Association, or any trustee designated by the Association as attorney-in-fact for the purpose of representing the Owners in condemnation proceedings or negotiations, settlements, and agreements with the condemning authority for

acquisition of the Common Areas, or part thereof, by the condemning authority.

(k) The Association, or insurance trustee if any, shall hold any proceeds of insurance in trust for Unit Owners and their first mortgage holders as their interests may appear. The policies required herein for the Association must provide that they may not be cancelled or substantially modified without at least ten (10) days prior written notice to the Association and to each holder of a first mortgage listed as a scheduled holder of a first mortgage in the policies. No policies shall require that contributions or assessments may be made against borrowers, FNMA, FHLMC, or the designee of FNMA or FHLMC. Loss payments shall not be contingent upon action by the carrier's Management Committee, policyholders, or members. The policies shall include: (1) a waiver of the right of subrogation against Unit Owners individually, (2) that the insurance is not prejudiced by any act or neglect of individual Unit Owners which is not in the control of such Owners collectively.

(l) The Association shall use generally acceptable insurance carriers. Specific requirements for qualifications of insurance carriers may be found in the FNMA Conventional Home Mortgage Selling Contract Supplement and the FHLMC Sellers Guide.

7.2 Unit Owner Insurance Responsibility. For Units, the Association's policy is primary, but the Unit Owner is responsible for the deductible as follows:

(a) If a loss occurs that is covered by the Association's policy and by a Unit Owner's policy, the Association's policy provides primary insurance coverage, but the Unit Owner is responsible for the deductible of the association of Unit Owners, and Coverage A of the Unit Owner's policy applies to that portion of the loss attributable to the policy deductible of the Association.

(b) If a Unit, or Limited Common Area element appurtenant to a Unit, suffers damage as part of a covered loss, the Unit Owner is responsible for an amount calculated by applying the percentage of total damage resulting in a covered loss that is attributable to Unit damage for that Unit to the amount of the deductible under the Association's policy. If a Unit Owner does not pay the amount required within 30 days after substantial completion of the repairs to, as applicable, the Unit or the Limited Common Area appurtenant to the Unit, the Association may levy an assessment against a Unit Owner for that amount.

(c) The deductible under the Association's policy is subject to change from time to time by the Management Committee. The Association shall provide notice to the Owners of any change in the amount of the deductible.

(d) The Association's policy does not cover the contents of a Unit or an Owner's personal property. Each Owner is strongly encouraged to obtain insurance coverage for contents of their Unit, as well as for coverage in the event the Owner has to pay the Association's deductible as provided above.

ARTICLE VIII - ASSESSMENTS

8.1 Covenant for Assessments. Each Owner, by acceptance of a deed conveying any Unit to such Owner, whether or not so expressed in the deed or other conveyance, shall be deemed to have covenanted and agreed to pay the Association the following types of assessments, as provided for and defined below: Annual Assessments, Special Assessments, and Individual Assessments. No Owner may exempt itself from liability for Assessments by abandonment of a Unit or non-use of the Common Areas. No offsets against Assessment amounts shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties and powers.

8.2 Reinvestment Fee Covenant. Upon the transfer of title to each Unit, a reinvestment fee, shall be charged and payable to the Association in an amount not to exceed two times the then current monthly assessment. A separate Notice of Reinvestment Fee will be recorded providing additional notice. The parties to the transaction are responsible to negotiate who pays this fee.

8.3 Annual Budget and Assessment.

(a) Adoption of Budget. The Management Committee shall prepare and adopt an annual budget for the Association which shall provide, without limitation, for the maintenance of the Common Areas and for the administration, management and operation of the Association. The budget shall contain a line item for the estimated contribution to the reserve fund of the Association. If the Management Committee fails to adopt an annual budget, the last adopted budget shall continue in effect.

(b) Determination of Annual Assessment.

(1) The Management Committee shall fix the amount of the annual assessment ("Annual Assessment") which may be assessed monthly against each Unit for each assessment period at least thirty (30) days in advance of the beginning of the period. Written notice of the Annual Assessments shall be sent to all members of the Association at least thirty (30) days in advance of the beginning of any assessment period, or thirty (30) days in advance of any increase in the Annual Assessment that is to take effect during any assessment period.

(2) The omission by the Management Committee, before the expiration of any assessment period, to fix the amount of the Annual Assessment for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this article or a release of any member from the obligation to pay the Annual Assessment, or any installment thereof, for that or any subsequent assessment period. In the event of such omission, the Annual Assessment fixed for the preceding period shall continue until a new assessment is fixed.

(3) If the Annual Assessments levied at any time are, or will become, inadequate to meet all expenses incurred by the Association for any reason, including nonpayment of any Owner's Assessments on a current basis, the Management Committee may, at any time, determine the approximate amount of the inadequacy and adopt a supplemental budget which establishes the equitable change in the amount of the Annual Assessment.

8.4 Apportionment of Assessments. All Units shall be assessed Annual Assessments and Special Assessments based upon the Percentage Interests of the Units (See Exhibit B). Individual Assessments shall be apportioned exclusively against the Units benefitted or to which the expenses are attributable as provided for below.

8.5 Purpose of Assessments. The Assessments levied by the Association shall be used for carrying out the purposes and obligations of the Association, including, but not limited to: (a) The improvement, maintenance, operation, care, and services related to the Common Areas; (b) The payment of insurance premiums; (c) The costs of utilities and other services which may be provided by the Association for the Community; (d) The cost of labor, equipment, insurance, materials, management, legal and administrative fees incurred or expended in performing the duties under this Declaration or the Bylaws; (e) The cost of funding reserves established by the Association, including a general operating excess and a reserve for replacements; and (f) Any other items properly chargeable as a Common Expense of the Association.

8.6 Special Assessments. In addition to the Annual Assessments authorized in this Article, the Association may levy a special assessment from time to time for the purpose of defraying, in whole or in part, the costs incurred or to be incurred by the Association which cannot be paid for through other types of Assessments (a "Special Assessment"). The Management Committee may authorize a Special Assessment for any lawful purpose provided, however, that any Special Assessment levied within 12 months of a prior Special Assessment, and any Special Assessment greater than Five Thousand Dollars (\$5,000.00) per Owner (based on their Percentage Interest) may only be levied if it is first voted upon by the Owners as follows: (1) a quorum of Owners holding 30% of the total Percentage Interest is present (as provided in the Bylaws); and (2) once a quorum has been established, if the votes cast favoring the Special Assessment exceed the votes cast opposing it. Voting shall be permitted pursuant to any method allowed in the Bylaws.

8.7 Individual Assessments. Any expenses benefitting or attributable to fewer than all of the Units may be assessed exclusively against the Units affected or benefitted ("Individual Assessments"). Individual Assessments shall include, but are not limited to: (1) Assessments levied against any Unit to reimburse the Association for costs or attorney fees incurred in bringing the Unit or its Owner into compliance with, or to otherwise defend or uphold, or carry out, the provisions of the Governing Documents and for fines or other charges, including attorney fees, imposed pursuant to this Declaration for violation of the Governing Documents; (2) Expenses incurred by the Association relating to the cost of maintenance, repair, or replacement of the individual Units.

8.8 Capital Improvements. In assessing Unit Owners for Capital Improvements (as defined) to the Common Areas for which there are not sufficient funds, there shall be no assessments for a single improvement in the nature of a capital expenditure exceeding the sum of ten percent (10%) of the annual budget without the same having been first voted on and approved by at least a majority of the total voting power of the Association. Capital Improvement Assessments shall be approved in the same manner as a Special Assessment.

8.9 Reserve Analysis.

(a) Reserve Analysis Required. The Management Committee shall cause a reserve analysis to be conducted at least every six years. The Management Committee shall review its reserve analysis every three years and, if necessary, update the formal analysis to reflect the current condition of the components described herein and in the analysis.

(b) Reserve Analysis Defined. “Reserve analysis” means an analysis to determine the need for a reserve fund and the estimated amount of money needed to reasonably fund the reserve fund. A reserve analysis shall include:

(1) a list of the components identified in the reserve analysis that will reasonably require reserve funds that cannot be reasonably funded from the operating budget and have an estimated remaining useful life between three (3) and thirty (30) years as set forth in the Act;

(2) a statement of the probable remaining useful life, as of the date of the reserve analysis, of each component identified in the reserve analysis;

(3) an estimate of the cost to repair, replace, or restore each component identified in the reserve analysis;

(4) an estimate of the total annual contribution to a reserve fund necessary to meet the cost to repair, replace, or restore each component identified in the reserve analysis during the component's useful life and at the end of the component's useful life; and

(5) a reserve funding plan that recommends how the Association may fund the annual contribution described in subsection (4) above.

(c) Reserve Analysis Summary Provided to Owners. The Association shall: (a) annually provide Owners a summary of the most recent reserve analysis or update; and (b) provide a copy of the complete reserve analysis or update to an Owner who requests a copy.

8.10 Reserve Fund. The Association shall establish and maintain a reserve fund (also known as “reserve account”), separate from other Association funds, for repairs and replacement of the Common Areas, for any emergency, unforeseen, unusual, or unanticipated expenditure, and for any other purpose determined from time to time by the Management Committee. As stated above, in formulating the budget each year, the Association shall include a reserve fund line item in an amount the Management Committee determines, based on the reserve analysis, to be prudent. The Management Committee may not use money in a reserve fund for daily maintenance expenses, unless a majority of the total voting Percentage Interests of the Owners, vote to approve the use of reserve fund money for that purpose.

The Management Committee’s reasonable determination with respect to the amount of the reserve fund contribution shall be conclusively deemed appropriate absent intentional misconduct or gross mismanagement of Association funds. Except in such instances, individual

Management Committee members shall not be held liable for any potential or alleged underfunding of the reserve account.

8.11 Nonpayment of Assessments. Unless otherwise provided by resolution of the Management Committee, the Annual Assessments shall be levied and due and payable on a monthly basis on the first calendar day of each month and shall be delinquent if not paid within ten (10) days after the due date or such other date established by the Management Committee (the “date of delinquency”). The due date of any Special Assessment or other Assessment shall be fixed in the resolution authorizing the Assessment or in the notice of the Assessment.

(a) Interest. Delinquent payments shall bear interest at the rate of eighteen percent (18%) per annum, or such other lower rate established by the Association by Rule, from time to time.

(b) Late Charge. Each delinquent payment shall be subject to a late charge in the amount established by the Association, by Rule, from time to time.

(c) Acceleration. If the delinquent installments of Annual Assessments and any charges thereon are not paid in full, the Management Committee, or its authorized agent, may declare all of the unpaid balance of the Annual Assessment to be immediately due and payable upon not less than ten (10) days’ written notice to the Owner, and may enforce the collection of the full Annual Assessment and all charges thereon in any manner authorized by law and this Declaration. If, however, the Assessment is accelerated and an Owner subsequently files bankruptcy or the Management Committee otherwise decides acceleration is not in its best interest, the Management Committee, at its option and in its sole discretion, may elect to decelerate the obligation.

(d) Rent Payments by Tenant to Association. If the Owner of a Unit who is leasing the Unit fails to pay an assessment for more than sixty (60) days after the assessment is due, the Management Committee may demand that the tenant pay to the Association all future lease payments due to the Owner, beginning with the next monthly other periodic payment, until all amounts due to the Association are paid. Such demand to the tenant shall be made in accordance with the law and the written procedures of the Association. The Management Committee, or its agent, shall give the Owner written notice of its intent to demand full payment from the tenant and such notice shall be made in accordance with the law and the written procedures of the Association.

(e) Termination of Common Service and Facility Use. If an Owner fails or refuses to pay an assessment when due, the Management Committee may, after giving notice and an opportunity to request a hearing in accordance with the law and any written procedures of the Association, terminate an Owner’s right: (1) to receive any service paid as a common expense, including but not limited to utility services; and (2) of access and use of recreational facilities. If a hearing is requested, utility services or right of access and use of the recreational facilities may not be terminated until after the hearing has been conducted and a final decision has been rendered by the Management Committee. In the event that the Association incurs costs to terminate any such utility service, the defaulting Owner shall be responsible for all such costs.

Upon payment of the assessment due, including any interest, late charge, and costs of collection, the Management Committee shall immediately take action to reinstate the terminated utility services to the Unit.

(f) Remedies under the Act and Other Law. The Association shall have each and every remedy for collection of assessments provided in the Utah Condominium Ownership Act, and Utah law.

8.12 Lien. All Assessments and charges imposed, together with damages, fines, interest, costs of collection, late charges, and attorneys' fees provided for in this Declaration (whether or not a legal proceeding is initiated) or by the Act, Utah law, or awarded by a court for enforcement of the Governing Documents shall be a charge and continuing lien upon each of the Units against which the Assessment is made and shall be construed as a real covenant running with the land. The recording of this Declaration constitutes record notice and perfection of the lien established herein. If an assessment is payable in installments, the lien is for the amount of each installment as such becomes due and this provision shall be deemed a notice of assessment.

8.13 Personal Obligation and Costs of Collection. Assessments imposed under this Declaration, together with interest and costs and reasonable attorneys' fees incurred or expended by the Association in the collection thereof (whether or not a lawsuit is initiated), shall also be the personal obligation of the Owner holding title to any Unit and in a voluntary conveyance, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the latter up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the grantor the amounts paid by the grantee.

8.14 Appointment of Trustee. By acceptance of a deed for a Unit, each Owner as trustor conveys and warrants to trustee in trust for the Association, as beneficiary, with power of sale, the Owner's Unit and all improvements thereon for the purpose of securing payment of all Assessments (including basis of collection) provided for in this Declaration. For purposes of this Section, the Act, and Utah Code Ann. §§57-1-19, et seq., as amended from time to time, the trustee shall mean the attorney for the Association, and the Association may provide notice and disclosure of the trustee, or substitution thereof, by recording an appointment or substitution of trustee in the records of the local County Recorder. Each Owner hereby also grants to the Association and trustee all powers and rights of non-judicial trust deed foreclosure provided for in Utah Code Ann. §§57-1-19, et seq.

8.15 Enforcement of Lien. The lien provided for in this Article may be enforced by the Association by causing a Unit to be sold through non-judicial foreclosure as though the lien were a deed of trust, or by foreclosing the lien through a judicial foreclosure, all in the manner provided by the Act and by the laws of the state of Utah for the non-judicial foreclosure of deeds of trusts or the law for the foreclosure of a mortgage, as the case may be. The Association shall have the power to bid on the Unit at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Upon completion of the foreclosure sale, the defaulting Owner shall be required to pay the reasonable rental value of such Unit during any period of continued occupancy by the defaulting Owner or any persons claiming under the defaulting Owner, and an action may be brought by the Association or the purchaser at the sale in order to secure

occupancy of the defaulting Owner's Unit, the costs and attorney fees associated with which shall be awarded to the Association or the purchaser, as the case may be. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental value without regard to the value of the security.

8.16 Subordination of Lien to Mortgages. The lien provided for in this Article has priority over each other lien and encumbrance on a Unit except a first or second security interest on the Unit secured by a mortgage or deed of trust that is recorded before a recorded notice of lien by or on behalf of the Association, or a lien for real estate taxes or other governmental assessments or charges against the Unit. The sale or transfer of any Unit pursuant to mortgage or deed of trust foreclosure (but not a proceeding in lieu thereof) shall extinguish the lien provided for herein as to payments which became due prior to such sale or transfer. Such sale or transfer shall not relieve the Unit from liability or lien for any Assessments or charges thereafter becoming due and shall not relieve any Owner of his or her personal obligation for such amounts.

8.17 Statement of Unpaid Assessment & Payoff Information. The Association shall, upon demand at any time, furnish to any Owner liable for assessment a certificate in writing signed by an officer of the Association setting forth whether Assessments have been paid. The certificate shall be conclusive evidence of payment of any assessment therein stated as having been paid. A reasonable charge, determined by the Association, or the Act, may be levied in advance by the Association for each certificate so delivered. The Association may charge a fee for providing Association payoff information needed in connection with the financing, refinancing, or closing of an Owner's sale of the Owner's Unit up to the maximum amount allowed by the Act.

8.18 Application of Payments. Payments upon an Owner's account shall be applied first to costs and attorney fees, then to the oldest charges (regardless of type) on the Owner's account.

ARTICLE IX - COMPLIANCE, ENFORCEMENT, APPEAL

9.1 Compliance. All Unit Owners, occupants of the Property, or any other person who may in any manner use the Property or any part thereof shall be subject to and comply with the provisions of the Governing Documents, the Act, and any other applicable law. Failure to comply therewith shall be grounds for levying of fines and an action or suit maintainable by the Association or an aggrieved Owner, subject to the requirements contained in this Declaration, the Bylaws or the Rules and Regulations of the Association.

9.2 Remedies. The voting rights of any Owner who is more than 60 days' delinquent in his or her account with the Association shall be automatically suspended until the account is brought current, unless otherwise determined by the Management Committee for good and reasonable cause. Violation of any provisions of the Governing Documents (including failure to timely pay an assessment) or of any decision of the Association made pursuant to such documents, shall give the Management Committee acting on behalf of the Association, the right, but not the obligation, in addition to any other rights set forth in this Declaration or the Bylaws or under law, to do any or all of the following after giving notice (the provisions of this Article shall not apply to the following except number (5)):

(1) Subject to the provisions of this Declaration, to enter the Unit as to which such violation exists and to summarily abate and remove, at the expense of the defaulting Owner, any structure, thing, or condition that may exist contrary to such provisions, and the Management Committee shall not thereby be deemed guilty of any manner of trespass;

(2) To levy fines (in accordance with this Declaration and law). A violation of any express Rule or Regulation, covenant, restriction or provision of any of the Governing Documents shall be subject to a fine in the amount set forth in a schedule of fines adopted by the Association from time to time, or in the absence of such schedule and after a warning, \$50 for a first offense and \$100 for subsequent offenses of the same violation or \$100 per ten days for a continuous violation;

(3) To terminate the right to receive utility or other services paid for by the Association, and to terminate the right of access to and use of recreational and service facilities of the Association until the correction of the violation has occurred;

(4) To suspend the voting rights of an Owner, but not for longer than 60 days except in the case of a continuous violation; and

(5) To enjoin, abate, or remedy such thing or condition by appropriate legal proceeding, and to otherwise bring suit or action against the Owner on behalf of the Association and/or other Owners to enforce the Governing Documents and the Association shall be entitled to recovery of its attorneys' fees and costs in such case.

9.3 Fines. The Association may assess a fine against an Owner for a violation of the Governing Documents in accordance with the Act (specifically, Utah Code Title 57, Chapter 8, Section 37), as may be amended and consistent with its schedule of fines.

9.4 Appeal by Owner. Any Owner who is assessed a fine or other penalty or who has rights suspended may request an informal hearing before the Management Committee to dispute the fine, penalty or suspension within 33 days after the date of the notice stating that the fine or penalty is assessed or that rights have been suspended. The hearing requested shall be conducted in accordance with procedures promulgated by resolution of the Management Committee from time to time, or if none, in accordance with the standards determined by the Management Committee at the hearing.

9.5 Action by Owners. Subject to any limitation imposed under this Declaration, the Bylaws, the Act, or other Utah law, an aggrieved Owner may bring an action against such other Owner or the Association to recover damages or to enjoin, abate, or remedy a thing or condition by appropriate legal proceedings.

9.6 Management Committee Action to Enforce Governing Documents – Parameters. The Management Committee shall use its reasonable judgment to determine whether to exercise the Association's powers to impose sanctions or pursue legal action for a violation of the Governing Documents, including whether to compromise a claim made by or against the

Management Committee or Association, and whether to pursue a claim for an unpaid Assessment. The Association may not be required to take enforcement action if the Management Committee determines, after fair review and acting in good faith and without conflict of interest, that under the particular circumstances: (1) the Association's legal position does not justify taking any or further enforcement action; (2) the covenant, restriction, or rule in the Governing Documents is likely to be construed as inconsistent with current law; (3)(A) a technical violation has or may have occurred, and (B) the violation is not material as to a reasonable person or does not justify expending the association's resources; or (4) it is not in the Association's best interests to pursue an enforcement action, based upon hardship, expense, or other reasonable criteria. If the Management Committee decides to forego enforcement, the Association is not prevented from later taking enforcement action. The Management Committee may not be arbitrary, capricious, or against public policy in taking or not taking enforcement action. The Association's actions or inactions in enforcing or not enforcing a provision of the Governing Documents shall in no event be deemed to constitute a waiver or modification of that provision.

9.7 Injunctive Relief. Nothing in this Declaration shall prevent an Owner, the Association, or other interested party from resort to a court of competent jurisdiction in those instances where injunctive relief may be appropriate. In such an action, the violation of any covenants or restrictions in the Governing Documents shall be presumed to cause irreparable harm to the Association and its members.

9.8 Notification of First Mortgagee. The Management Committee shall notify in writing any first Mortgagee of any individual Unit of any default in performance of the terms of this Declaration by the Unit Owner which is not cured within sixty (60) days provided such Mortgagee has requested in writing to be so notified.

ARTICLE X - AMENDMENT

10.1 Amendment. Any and all of the conditions, restrictions, charges and terms contained in this Declaration may be annulled, waived, changed, modified or added to through a duly adopted amendment to this Declaration.

10.2 How Proposed. Amendments to the Declaration shall be proposed to the membership only by the Management Committee, either on its own initiative or after it receives a written request to do so signed by Owners holding at least a majority of the Percentage Interests. The proposed amendment must be reduced to writing and shall be included in the notice of any meeting at which action is to be taken thereon or attached to any request for approval of, or consent to, the amendment.

10.3 Approval Required. This Declaration may be amended if such amendment is approved by sixty-seven percent (67%) of the total Percentage Interest of the Owners. Notwithstanding anything herein to the contrary, the Governing Documents may be amended by the Management Committee without approval of the Owners if an amendment is necessary to comply with FHA or other regulatory or lending guidelines or restrictions in order to facilitate the ability to secure financing for the sale of Units. Any vote to annul or extinguish

this Declaration shall require the approval of not less than seventy-five percent (75%) of the total voting Percentage Interest of the Owners.

10.4 Execution and Recordation. An amendment shall not be effective until the amendment is certified by the president of the Association, or duly authorized officer or agent, as being adopted in accordance with this Declaration and is acknowledged and recorded in the appropriate County Recorder's Office.

ARTICLE XI – MISCELLANEOUS PROVISIONS

11.1 Premises Liability. The Association and the Management Committee are and shall remain wholly free and clear of any and all liability to, or claims by, all Unit Owners and all persons and entities, of whatever kind or character, whether sounding in contract or tort, deriving from the occurrence of any injury or damage to any person or property on, or in respect of the use and operation of, the Common Area or any of its improvements, fixtures, and facilities and a Unit Owner shall defend, indemnify and hold harmless the Association and Management Committee against such claim, loss or liability asserted by such Unit Owner or his or her guest, invitee, licensee, tenant, or visitor. In this respect, it shall be the affirmative duty and responsibility of each Unit Owner and user of the Common Area facilities to continuously inspect the same for any defects or perils or other unsafe conditions or circumstances, prior to and during such use or enjoyment thereof; and all users of, and visitors to, the Common Area and its improvements and facilities shall use, enjoy, and visit, the same at their own risk and peril.

11.2 Priority of Governing Documents. To the extent possible under the law and in light of the requirement of the Act that organizational documents for a nonprofit corporation shall not conflict with the rights and obligations found in the Declaration and Bylaws, in the event of any conflict between or among this Declaration and any other Governing Document, the document in the highest priority beginning with the first document listed hereinafter shall prevail (as to any such conflict) over any later listed document: the Act, the Utah Revised Nonprofit Corporations Act, the Plat and the Declaration (which have equal priority), Articles of Incorporation (or other organizational documents of the Association), the Bylaws, and the Rules and Regulations.

11.3 Interpretation. All questions of interpretation or construction of any of the covenants or restrictions in the Governing Documents shall be resolved by the Management Committee, and its decision shall be final, binding and conclusive on all parties affected for all purposes. The covenants, restriction and terms of this Declaration are to be interpreted broadly to give effect to the Association's role as the governing body of the Community and to grant all the powers necessary for management of the common property, administration of the servitude regime, carrying out other functions set forth herein, and furthering the purposes of the Association. The enumeration of specific items, acts, rights, or powers in this instrument does not limit or restrict and is not to be construed or interpreted as limiting or restricting, the general powers granted to the Association or Management Committee except where powers are expressly restricted. The Management Committee acts in all instances on behalf of the Association, except as expressly limited by the Governing Documents or law.

11.4 Recovery of Costs and Attorney Fees. The Association shall be entitled to recover its costs and attorney's fees incurred for enforcement of this Declaration regardless of whether any lawsuit or other action is commenced. Such costs and attorney's fees shall automatically be and constitute an assessment against the Owner and the Unit. Additionally, the prevailing party shall be entitled to its attorney fees and costs in any dispute concerning any Governing Document, including an action dealing with the declaration of rights and obligations thereunder with or without a defaulting party, whether such costs and expenses are incurred with or without suit; before or after judgment; in any appeal; in any bankruptcy or receivership proceeding; or in connection with any alternative dispute resolution proceeding.

11.5 Invalidity; Number; Captions. The invalidity of any part of this Declaration shall not impair or affect in any manner the validity, enforceability, or effect of the balance of this Declaration. As used herein, the singular shall include the plural and the plural the singular. The masculine and neuter shall each include the masculine, feminine, and neuter, as the context requires. All captions used herein are intended solely for convenience of reference and shall in no way limit any of the provisions of this Declaration.

11.6 Joint Owners. In any case in which two or more persons share the ownership of any Unit, regardless of the form of ownership, the responsibility of such persons to comply with this Declaration shall be a joint and several responsibility and the act or consent of any one or more of such persons shall constitute the act or consent of the entire ownership interest, subject to the provisions of the Bylaws regarding voting by joint owners.

11.7 Lessees and Other Invitees. No damage to, or waste of the Common Areas or any part thereof shall be committed by any Owner or any Unit occupant, guest, invitee, lessee of any Owner, and each Owner shall indemnify and hold the Association and the other Owners harmless against all loss resulting from any such damage or waste caused by any such person. Lessees, invitees, guests, Unit occupants, contractors, family members and other persons entering the Property under rights derived from an Owner shall comply with all of the provisions of the Governing Documents restricting or regulating the Owner's use, improvement or enjoyment of such Owner's Unit and other areas within the Property. The Owner shall be responsible for obtaining such compliance and shall be liable for any failure of compliance by such persons in the same manner and to the same extent as if the failure had been committed by the Owner.

11.8 Waiver, Precedent and Estoppel. No restriction, condition, obligation or provision contained in this Declaration or rules and regulations adopted pursuant hereto shall be deemed to have been abrogated or waived by the Association, the Management Committee or any Owner by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur and any failure to enforce the same shall not be deemed to constitute precedent or estoppel impairing the right of the Association, Management Committee or Owner as to any similar matter.

11.9 Notice of Sale or Lease. Immediately upon the sale, rental or other conveyance of any Unit, the Owner shall promptly inform the secretary or manager of the name and address of said grantee or tenant. The Management Committee may for all purposes act and rely on the

information concerning Owners and Unit ownership which is thus acquired by it and the address of each Owner shall be deemed for all purposes to be the address of the Unit owned by such Owner unless the Management Committee is otherwise advised in writing.

11.10 Person to Receive Service of Process. The person designated to receive service of process on behalf of the Project, in the cases provided by the Act, is the registered agent of the Association as designated by the Association from time to time with the Utah Division of Corporations and Commercial Code.

ARTICLE 1 - DEFINITIONS

The definitions contained in or adopted by the Declaration shall be applicable to these Bylaws.

ARTICLE 2 – NOTICE, ELECTRONIC MEANS, HOA REGISTRY

2.1 Notices.

2.1.1 Association. All notices to the Association or the Management Committee shall be sent care of the managing agent or, if there is no managing agent, to the principal office of the Association or to such other address as the Management Committee may hereafter designate from

time to time.

2.1.2 Owners.

(a) Notice by Electronic Means. In any circumstance where notice is required to be given to the Owner, the Association may provide notice by electronic means, including text message, email, or an Association website, if the Management Committee deems the notice to be fair and reasonable. An Owner may require the Association, by written demand, to provide notice to the Owner by regular U.S. mail. The Management Committee is authorized to promulgate rules and procedures facilitating the implementation of this section as it deems fit from time to time, including requiring Owners to furnish the Association with a current email address so long as such email addresses are not deemed a record of the Association and shall only be used by the Management Committee or the Manager, if any, for Association business.

(b) Except as otherwise provided in the Declaration, these Bylaws or law, all notices to any Owner shall be sent to such address as may have been designated by him or her, from time to time, in writing to the Management Committee, or if no address has been designated, then to the Owner's Unit. Neither the Management Committee nor its Agent(s) shall be responsible for locating the Owner if their mailing address has changed. Owners shall notify the Association of all such changes.

(c) If a Unit is jointly owned or the Unit has been sold under a land sale contract, notice shall be sent to a single address (physical or electronic), of which the secretary has been notified in writing by such parties. If no address has been given to the secretary in writing, then mailing to the Unit shall be sufficient.

2.1.3 Notice shall be delivered to the Unit Owners not less than ten (10) days prior to the date fixed for said meeting. At or prior to an Annual Meeting, the Management Committee shall furnish to the Unit Owners: (1) a budget for the coming fiscal year that shall itemize the estimated common expenses of the coming fiscal year with the estimated allocation thereof to each Unit Owner; and (2) an audited statement of the common expenses itemizing receipts and disbursements for the previous and current fiscal year, together with the allocation thereof to each Unit Owner. Within ten (10) days after the Annual Meeting, that budget statement shall be delivered to the Unit Owners who were not present at the Annual Meeting.

2.2 Conducting Affairs, Electronic Means. Any notice, transaction or action involving the business or affairs of the Association or the Management Committee (whether or not expressly stated in any Articles or Sections of the Declaration or Bylaws), including but not limited to voting and providing notice or records, may be conducted by electronic means.

The Association may accept an electronic vote, consent, written ballot, waiver, proxy appointment, or proxy appointment revocation as the act of the Owner if the Association, through the Management Committee, does so in good faith and has no reason to believe it is not the act of the Owner. Any such document or writing may be delivered in an electronic medium or by electronic transmission, and may be signed by photographic, electronic, or other means. An electronic record or electronic signature is attributable to a person if it was the act of the person. An electronic signature may consist of a mark, symbol, character, letter, or number or any combination thereof attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record and the same shall be considered the signature of such person. A writing

includes any document, record, vote, ballot, proxy, or instrument required or permitted to be transmitted by a Member or by the Association.

2.3 Utah HOA Registry. The Association shall register with the Utah Department of Commerce in the manner established by the department and in compliance with the Act (the "Homeowner Associations Registry." The Association shall update such information with the Registry within 90 days after a change in any of the information.

ARTICLE 3 – ASSOCIATION MEETINGS, VOTING, QUORUM

3.1 Annual Meetings. Each regular annual meeting of the members shall be held each year on the day and at a time and place within the state of Utah as is designated in the notice of such meeting, as determined by the Management Committee.

3.2 Special Meetings. The Association, by and through the Management Committee, shall notice, hold and conduct a special meeting of its members (1) on call of the President, or (2) by a majority of the Owners or Management Committee Members.

3.3 Notice of Meetings. Written notice of each meeting of the Association shall be given by, or at the direction of, the secretary or person authorized to call the meeting, in a fair and reasonable manner, unless oral notice is reasonable under the circumstances, at least ten (10) days before the time fixed for the meeting. The notice shall specify the place, day and hour of the meeting, and must include a description of any matter that must be approved by the members and, in the case of a special meeting, the purpose of the meeting.

3.4 Voting. Each Unit shall be allocated such vote in the affairs of the Association equal to the Percentage Interest appertaining to such Unit as set forth in **EXHIBIT B** attached hereto. When a Quorum is present at any meeting, the vote of the Unit Owners representing more than fifty percent (50%) of the Percentage Interest present either in person, by proxy or written ballot, shall decide any question of business brought before such meeting, including the election of the Management Committee, or unless otherwise provided in the Declaration or these Bylaws.

3.5 Proxies, Absentee Ballots and Rights of Mortgagees.

3.5.1 Proxies. A vote may be cast in person, by proxy, or written ballot. A proxy given by an Owner to any person who represents the Owner at meetings of the Association shall be in writing, dated and signed by such Owner and shall be filed with the secretary in accordance with procedures adopted by the Management Committee by resolution or as stated in the notice of the meeting. A proxy shall be valid for, and only for, the meeting (and any adjournment of the meeting) for which it was solicited, unless otherwise expressly stated in the proxy; however, no proxy may be valid for more than eleven (11) months after the date of execution. No proxy shall be valid if it purports to be revocable without notice. An Owner may not revoke a proxy given except by actual notice of revocation to the person presiding over a meeting, or to the Management Committee if a vote is being conducted by written ballot in lieu of a meeting. Every proxy shall automatically cease upon sale of the Unit. Proxies may be turned in to a Management Committee member or Agent up to the beginning of the voting portion of a meeting.

3.5.2 Absentee Ballots. A vote may be cast by absentee ballot.

3.6 Quorum.

3.6.1 “Quorum” means the Owners holding the minimum number of Percentage Interests (when duly represented in person, by proxy or by written ballot at a meeting or casting a written ballot in an action by written ballot or consenting to an action without a meeting) necessary to make the proceedings valid.

3.6.2 At any meeting of the Association, or any action taken without a meeting, the Owners representing more than fifty percent (50%) of Percentage Interest in the undivided ownership interest shall constitute a quorum represented in person, by proxy, or by written ballot (except when a higher quorum is required by the Governing Documents).

3.6.3 If any meeting of Owners cannot be organized because of a lack of quorum, the meeting shall be adjourned for twenty-four (24) hours, at which time it shall reconvene and any number of the Owners who are present, represented in person, by proxy, or by written ballot, shall constitute a quorum at such adjourned meeting.

3.6.4 When a quorum is once present to organize a meeting it cannot be broken by the subsequent withdrawal of an Owner or Owners.

3.7 Binding Vote. Action on a matter other than the election of directors is approved and shall be binding upon all owners for all purposes if a quorum exists and the votes cast favoring the action exceed the votes cast opposing the action, unless a greater number of affirmative votes is required by the Governing Documents.

3.8 Meeting Procedure. Rules of order may be adopted by resolution of the Management Committee, otherwise, the President shall conduct meetings according to the procedure he or she deems fit and shall have absolute authority to fix the period of time allowed for the registration of Owners and the filing of proxies, to determine the order of business to be conducted at such meeting and to establish reasonable rules for expediting the business of the meeting (including any informal or question and answer portions thereof). Only matters expressly stated on the noticed agenda of a members’ meeting may be voted on at the meeting. If Owners make a motion from the floor for an issue not stated in the formal notice of the meeting, it may be discussed but no binding action may be taken until the issue is included in the notice of a future meeting. A decision of the Association may not be challenged on the basis that appropriate rules of order were not used. All informalities or irregularities in calls or notices of meetings and in the manner of voting, credentials, and methods of ascertaining those present shall be deemed waived by those present if no objection is made at the meeting.

3.9 Action by Written Ballot in Lieu of a Meeting. Any action that may be taken at any annual, regular, or special meeting of Owners may be taken without a meeting if the Association causes to be delivered a written ballot to every Member entitled to vote on the matter not less than fourteen (14) days prior to the date on which the ballots must be received by the Association in order to be counted. A written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes

by written ballot shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; specify the time by which a ballot must be received by the Association in order to be counted; and be accompanied by written information sufficient to permit each person casting such ballot to reach an informed decision on the matter. In the event the action is for election of Management Committee members, there shall be space on the ballot to write in nominations. Action taken under this section has the same effect as action taken at a meeting of Members and may be described as such in any document. The Management Committee may elect to conduct a vote pursuant to this section by a secrecy procedure whereby a written ballot is accompanied by: (1) a secrecy envelope; (2) a return identification envelope to be signed by the owner; and (3) instructions for marking and returning the ballot. Written ballots that are returned in secrecy envelopes may not be examined or counted before the deadline for returning ballots has passed.

3.10 Fiduciaries and Joint Owners. An executor, administrator, guardian, or trustee may vote in person, by proxy or written ballot, at any meeting of the Association with respect to any Unit owned or held in such capacity, whether or not the same shall have been transferred to his or her name; provided, that the person shall satisfy the secretary that he or she is the executor, administrator, guardian, or trustee holding the Unit in such capacity. Whenever any Unit is owned by two or more persons jointly, according to the records of the Association, the vote of the Unit may be exercised by any one of the Owners then present, in the absence of protest by a co-owner. In the event of a protest, no one co-owner shall be entitled to vote without the approval of all co-owners. In the event of disagreement among the co-owners, the vote of the Unit shall be disregarded completely in determining the proportion of votes given with respect to the matter.

ARTICLE 4 - MANAGEMENT COMMITTEE MEMBERS – SELECTION, ELECTION, TERM OF OFFICE

4.1 Number, Term and Qualifications.

4.1.1 The affairs of the Association shall be governed by a Management Committee composed of five (5) Management Committee members. The Owners may increase or decrease the number of Management Committee members at any Association annual meeting if such increase or decrease is placed on the notice and agenda of such meeting.

4.1.2 Members of the Management Committee shall serve for a term of three (3) years. The terms shall be staggered so all Management Committee members are never elected in the same year.

4.1.3 A Management Committee member must be an Owner or the spouse of an Owner of a Unit, except that a husband and wife may not serve on the Management Committee at the same time. A representative of an entity which owns a Unit, and only one such representative, may serve on the Management Committee, such that a shareholder of a corporation, a member of an LLC, a partner of a partnership, a trustee or beneficiary of a trust, or a personal representative of an estate, may serve on the Management Committee if the corporation, LLC, partnership, trust or estate owns a Unit.

4.2 Nomination. Nomination for election to the Management Committee shall be made in the manner determined by the Management Committee, which may include a nominating committee. If a nominating committee is used, the committee must submit its names of candidates in time to be

included with the first formal notice of meeting sent to the Owners. Regardless, at any meeting at which Committee elections are to take place, nominations from the floor shall occur and may nominate him or herself.

4.3 Election. At the election, the members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. Voting in an election shall be by written ballot. If a Quorum is established, the persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted.

4.4 Vacancies. Vacancies on the Management Committee, caused by any reason other than the removal of a Management Committee member by a vote of the Association, shall be filled for the balance of the term by vote of a majority of the remaining Management Committee members even though they may constitute less than a quorum. Each person so elected shall be a Management Committee member until a successor is elected upon expiration of the term for which the person was elected by the other Management Committee members to serve. The Management Committee shall fill such a vacancy within the time period that the Management Committee reasonably determines.

4.5 Removal of Management Committee members.

4.5.1 At any annual or special meeting, any one or more of the Management Committee members may be removed, with or without cause, by a majority of the total Percentage Interest of the Members. A successor may be elected at that meeting to fill the vacancy thus created. The notice of the meeting must state that the removal is to be considered and any Management Committee member whose removal has been proposed by the Owners may be given an opportunity to be heard at the meeting.

4.5.2 A Management Committee member who is delinquent in the payment of an Assessment for longer than three months, is absent from three consecutive regular Management Committee meetings, or is absent from more than 25% of the regular Management Committee meetings held in any 12-month period, shall be deemed to have tendered his or her resignation, and upon acceptance by the Management Committee his or her position shall be deemed vacant. The vacancy shall be filled as provided in Section 4.4 above.

4.5.3 Any one or more Management Committee members may be removed, with or without cause, by a majority of the Management Committee at any regular meeting of the Management Committee and the Management Committee may establish a code of conduct or standards by which such decisions are made.

4.6 Compensation. No Management Committee member shall receive compensation for any service he or she may render to the Association as a Management Committee member. However, any Management Committee member may be reimbursed for actual expenses incurred in the performance of his or her duties.

ARTICLE 5 - MEETINGS OF MANAGEMENT COMMITTEE

5.1 Organizational Meeting.

5.1.1 Location, Date and Time. The first meeting of a newly elected Management

Committee shall be held at such place, date and time as shall be fixed by the Management Committee members at the meeting at which the Management Committee members were elected and no notice shall be necessary to Owners or to the newly elected Management Committee members in order to legally hold the meeting providing a majority of the elected Management Committee members are present.

5.1.2 Until the election of new officers, those existing officers that continue to serve on the Management Committee shall remain in their positions, and the organizational meeting shall be chaired by the president, or in the absence of such person, the vice president, or in the absence of such person, the secretary. At the organizational meeting, the Management Committee shall elect officers in accordance with Section 7.2 below and may conduct any other Association business.

5.2 Regular Meetings. Regular meetings of the Management Committee shall be held at such place and hour as may be fixed from time to time by the Management Committee. Notice of Committee meetings to the Members shall be as provided for in the Act and these Bylaws, however, Committee members waive notice of Management Committee meetings by attending. Should the meeting fall upon a legal holiday, then that meeting shall be held at the same time on the next day which is not a legal holiday, or at another date and time agreed upon by the Management Committee with notice to all members of the Management Committee.

5.3 Special Meetings. Special meetings of the Management Committee shall be held when called by the president of the Association, or by any two (2) Management Committee members, after not less than three (3) days' notice to each Management Committee member by mail, electronic mail, telephone, or facsimile, unless waived pursuant to 5.7 below. The notice must state the time, place, and purpose of the meeting.

5.4 Meeting Procedure. Unless other rules of order are adopted by resolution of the Management Committee: (a) Meetings of the Management Committee shall be conducted by the President; (b) A decision of the Management Committee may not be challenged because the appropriate rules of order were not used; (c) A decision of the Management Committee is deemed valid without regard to any procedural errors related to the rules of order unless the error appears on the face of a written instrument memorializing the decision.

5.5 Open Meetings; Executive Sessions.

5.5.1 Open Meetings. Except as provided in subsection 5.5.3 and Section 5.7, all meetings of the Management Committee shall be open to Owners. At each meeting, the Management Committee shall provide each Owner a reasonable opportunity to offer comments pursuant to rules of the Management Committee. Further, the Management Committee may limit the comments to one specific time period during the meeting. Beyond such comment period, no Owner shall have a right to participate in the Management Committee meeting unless the Owner is also a member of the Management Committee. The president or Management Committee shall have the authority to exclude an Owner who disrupts the proceedings at a Management Committee meeting. The Management Committee may adopt policies governing meetings of the Management Committee from time to time, including policies to reflect current Utah law (which Utah law may change more frequently than these Bylaws). If such Utah law supersedes any provision of these Bylaws, the policy adopted by the Management Committee shall also supersede these Bylaws to the extent the policy restates then current Utah law. "Meeting" means a gathering of the Management Committee, whether in person, by proxy or by means of electronic communication in

real time under Section 5.6, at which the Management Committee can take binding action.

5.5.2 Notice of Management Committee Meeting. At least 48 hours before a Management Committee meeting, the Association shall give written notice of the meeting via email to each Owner who has previously requested notice of a Management Committee meeting (“Meeting Notice”), unless notice of the meeting is included in a “meeting schedule” that was previously provided to the Owner(s), or the meeting is to address an emergency, and each Management Committee member receives notice of the meeting less than 48 hours before the meeting. A Meeting Notice shall: (i) be delivered to the Owner by email, to the email address that the Owner provides to the Association; (ii) state the time and date of the meeting; (iii) state the location of the meeting; and (iv) if a Management Committee member may participate by means of electronic communication under Section 5.6 below, provide the information necessary to allow the Owner to participate by the available means of electronic communication.

5.5.3 Executive Sessions. Consistent with Utah Code, Title 57, Section 8, Chapter 57, in the discretion of the Management Committee, the Management Committee may close a Management Committee meeting and adjourn to executive session as provide to: (a) consult with an attorney for the purpose of obtaining legal advice; (b) discuss ongoing or potential litigation, mediation, arbitration, or administrative proceedings; (c) discuss a personnel matter; (d) discuss a matter relating to contract negotiations, including review of a bid or proposal; (e) discuss a matter that involves an individual if the discussion is likely to cause the individual undue embarrassment or violate the individual’s reasonable expectation of privacy; or (f) discuss a delinquent assessment or fine.

5.5.4 Executive Session Procedure. Except in the case of an emergency, the Management Committee shall vote in an open meeting whether to meet in executive session. If the Management Committee votes to meet in executive session, the president or other presiding officer shall state the general nature of the action to be considered and, as precisely as possible, when and under what circumstances the deliberations can be disclosed to owners. The statement, motion or decision to meet in executive session must be included in the minutes of the meeting.

5.6 Meetings by Telephonic or Electronic Communication. In the event of an emergency, or by decision of the Management Committee, meetings of the Management Committee may be conducted by means of electronic communication that allows all members of the Management Committee participating to be able to communicate orally in real time. Emergency Committee meetings under this section do not require notice to Members but any decision shall be contained in the minutes. If Management Committee meetings are held by telephonic or electronic communication, then a method by which Owners can participate and listen in real time must be provided.

5.7 Action Taken by Management Committee without a Meeting.

5.7.1 Notice, Response. Notwithstanding any section to the contrary, and consistent with the Utah Revised Nonprofit Corporations Act, the Management Committee shall have the right to take any action in the absence of a meeting which they could take at a meeting if notice is transmitted in writing to each member of the Management Committee and each member of the Management Committee, by the time stated in the notice:

(a) (1) signs a writing for such action; or (2) signs a writing against such action, abstains in writing from voting, or fails to respond or vote; and

(b) fails to demand in writing that action not be taken without a meeting.

5.7.2 Content of Notice. The notice required by Subsection 5.7.1 (the “Notice”) shall state:

(a) the action to be taken;

(b) the time by which a Management Committee member must respond to the notice;

(c) that failure to respond by the time stated in the notice will have the same effect as: (1) abstaining in writing by the time stated in the notice; and (2) failing to demand in writing by the time stated in the notice that action not be taken without a meeting; and

(d) any other matters the Association determines to include.

5.7.3 Approval of Action/Decision. Action is taken under this Section 5.7 only if, at the end of the time stated in the Notice:

(a) the affirmative votes in writing for the action received by the Association equal or exceed the minimum number of votes that would be necessary to take such action at a meeting at which all of the Management Committee members then in office were present and voted; and

(b) the Association has not received a written demand by a Management Committee member that the action not be taken without a meeting (other than a demand that has been revoked pursuant to Subsection 5.7.5).

5.7.4 Waiver of Meeting. A Management Committee member’s right to demand that action not be taken without a meeting shall be considered to have been waived unless the Association receives such demand from the Management Committee member in writing by the time stated in the Notice.

5.7.5 Revocation. A Management Committee member who in writing has voted, abstained, or demanded action not be taken without a meeting may, in writing, revoke the vote, abstention, or demand at any time before the time stated in the Notice.

5.7.6 Electronic Transmission. A communication under this Article may be delivered by an electronic transmission. An electronic transmission communicating a vote, abstention, demand, or revocation is considered to be written, signed, and dated for purposes of this Article if the electronic transmission is delivered with information from which the Association can determine that the electronic transmission is transmitted by the person (e.g., from a sender’s known email account), and the date on which the electronic transmission is transmitted. The date on which an electronic transmission is transmitted is considered the date on which the vote, abstention, demand, or revocation is signed. For purposes of this Section 5.7, communications to the Association are not effective until received.

5.8 Waiver of Notice. Any Management Committee member may, at any time, waive notice of any meeting of the Management Committee in writing, and the waiver shall be deemed equivalent to the giving of the notice. Attendance by a Management Committee member at any meeting of the Management Committee shall constitute a waiver of notice by the Management Committee member, except where the Management Committee member attends the meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. If all Management Committee members are present at any meeting of the Management Committee, no notice to Management Committee members shall be required and any business may be transacted at the meeting.

5.9 Quorum and Acts. At all meetings of the Management Committee, a majority of the existing Management Committee members shall constitute a quorum for the transaction of business and the acts of the majority of the Management Committee members present shall be the acts of the Management Committee. If, at any meeting of the Management Committee, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

5.10 Proxies at Management Committee Meetings. For purposes of determining a quorum with respect to a particular proposal, and for purposes of casting a vote for or against a particular proposal, a Management Committee member may be considered to be present at a meeting and to vote if the Management Committee member has granted a signed written proxy: (i) to another Management Committee member, or other person, who is present at the meeting; and (ii) authorizing the other Management Committee member or person to cast the vote that is directed to be cast by the written proxy with respect to the particular proposal that is described with reasonable specificity in the proxy (a directed proxy).

ARTICLE 6 - POWERS, RIGHTS, AND DUTIES OF THE MANAGEMENT COMMITTEE

6.1 General Powers and Duties. The Management Committee shall have the powers and duties necessary for the administration of the affairs of the Association and may do all such acts and things as are not by law or the Governing Documents specifically directed to be exercised and done by, or upon the vote of, the Owners.

6.2 Best Interest of Association and Reliance on Information. A Management Committee member or officer shall discharge the Management Committee member or officer's duties (a) in good faith, (b) with the care an ordinarily prudent person in a like position would exercise under similar circumstances, and (c) in a manner the Management Committee member or officer reasonably believes to be in the best interests of the Association. The Management Committee members shall, at all times, keep themselves reasonably informed and take such steps and necessary actions as a reasonable, prudent person would do to serve the best interest of the Association.

In discharging duties, a Management Committee member or officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (a) one or more officers or employees of the Association whom the Management Committee member or officer reasonably believes to be reliable and competent in the matters presented, (b) legal counsel, a public accountant, or another person as to matters the

Management Committee member or officer reasonably believes are within the person's professional or expert competence, or (c) in the case of a Management Committee member, a sub-committee of the Association or Management Committee of which the Management Committee member is not a member if the Management Committee member reasonably believes the sub-committee merits confidence.

6.3 Conflicts of Interest.

6.3.1 A conflict of interest or conflicting interest transaction includes a contract, transaction, or other financial relationship between the Association and (1) a Management Committee member, (2) a party related to a Management Committee member, or (3) an entity in which a Management Committee member is a director or officer or has a financial interest.

6.3.2 A Management Committee member shall avoid conflicts of interest or conflicting interest transactions, unless: (1) the material facts as to the Management Committee member's relationship or interest and as to the conflicting interest transaction are disclosed or are known to the Management Committee, (2) the Management Committee in good faith authorizes, approves, or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested Management Committee members (even if the disinterested Management Committee members are less than a quorum), and (3) the conflicting interest transaction is fair as to the Association.

ARTICLE 7 - OFFICERS AND THEIR DUTIES

7.1 Designation and Qualification.

7.1.1 Designation. The principal officers of the Association shall be a president, a vice-president, a secretary and a treasurer. The Management Committee may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Management Committee may, from time to time, determine.

7.1.2 Qualifications. The principal officers must be Management Committee members (and shall cease to be an officer upon ceasing to be on the Management Committee). Any Management Committee member may be an officer of the Association.

7.1.3 Multiple Offices. A person may simultaneously hold more than one office.

7.1.4 Special Appointments. The Management Committee may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Management Committee may, from time to time, determine.

7.3 Resignation. Any officer may resign at any time by giving written notice to the Management Committee, the president or the secretary. The resignation shall take effect on the date of receipt of the notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of the resignation shall not be necessary to make it effective.

7.4 Removal of Officers. Officers shall hold office at the pleasure of the Management Committee. Upon an affirmative vote of a majority of the members of the Management Committee any officer may be removed, either with or without cause.

7.5 Compensation of Officers. No officer who is a member of the Management Committee may receive any compensation from the Association for acting as an officer unless the compensation is authorized by a vote of the Owners. The Management Committee may fix any compensation to be paid to any officers who are not also Management Committee members.

7.6 Duties of Officers. Officers shall have such duties prescribed with respect to the office by the Declaration, Bylaws, and by the Management Committee, to the extent not inconsistent with these Bylaws or the Declaration. The Management Committee may delegate any powers or duties of officers to other persons or agents as the Management Committee deems necessary or appropriate from time to time. Any principal officer may prepare, execute, certify, and record amendments to the Declaration on behalf of the Association in accordance with the amendment provisions of the Declaration. The general duties of the officers are as follows:

(a) President. The president shall be the chief executive officer of the Association. He or she shall preside at all meetings of the Association and of the Management Committee. resolution of the Management Committee.

ARTICLE 8 - INDEMNIFICATION OF OFFICERS AND MANAGEMENT COMMITTEE MEMBERS

Members of the Management Committee, the officers and any agents and employees of the Association (i) shall not be liable to the Owners as a result of their activities as such for any mistake of judgment, negligence or otherwise, except for their own willful misconduct or bad faith; (ii) shall have no personal liability in contract to an Owner or any other person or entity under any agreement, instrument or transaction entered into by them on behalf of the Association in their capacity as such; (iii) shall have no personal liability in tort to any Owner or any person or entity, direct or imputed, by virtue of acts performed by them, except for their own willful misconduct or bad faith, nor for acts performed for them in their capacity as such; and (iv) shall have no personal liability arising out of the use, misuse or condition of the Project, which might in any way be assessed against or imputed to them as a result or by virtue of their capacity as such.

When an officer, agent or employee of the Association or member of the Management Committee is sued for liability for actions undertaken in his or her role as a member of the Management Committee, officer, agent or employee of the Association, the Association shall indemnify him or her for his or her losses or claims, and undertake all costs of defense, until and unless it is proven that he or she acted with willful or wanton misfeasance or with gross negligence. After such proof, the Association is no longer liable for the cost of defense and may recover costs already expended from the person who so acted. Management Committee members, officers, and agents and employees of the Association are not personally liable to the victims of crimes occurring at the Project. Punitive damages may not be recovered against the Association but may be recovered from persons whose activity gave rise to the damages.

Beyond (but subject to) the foregoing provisions of this Article, each officer and Management Committee member of the Association, in consideration of his or her services, shall be indemnified by the Association to the extent permitted by the Utah Revised Nonprofit Corporation Act (regardless of the Association's corporate status or lack thereof) against expenses and liabilities reasonably incurred by him or her in connection with the defense of any actual or threatened action, suit or proceeding, civil or criminal, to which he or she may be a party by reason of being or having been a Management Committee member or officer of the Association. The foregoing right to indemnification shall not be exclusive of any other rights to which the Management Committee member or officer or person may be entitled by law or agreement or vote of the members or otherwise.

The account shall designate the Unit number, the name and address of the Owner or Owners, the amount of each Assessment against the Owners, the dates and amounts in which the Assessment comes due, the amounts paid upon the account, and the balance due on the Assessments.

9.2.4 Records at Principal Office. The Association shall keep a copy of each of the following records at its principal office (copies of such records kept electronically by an Association officer or manager shall satisfy this requirement regardless of where located as long as such electronic records are capable of being transmitted to, or viewed by, others, such as via email from an electronic storage medium or via website): (1) all Governing Documents; (2) the minutes of all Owners' meetings for a period of three years; (3) records of all action taken by Owners without a meeting, for a period of three years; (4) all written communications to Owners generally as Owners for a period of three years; (5) a list of the names and business or home addresses of the current officers and Management Committee members; (6) a copy of its most recent annual report (annual renewal) delivered to the Division of Corporations under Utah Code Section 16-6a-1607; and (7) all financial statements prepared for periods ending during the last three years that show in reasonable detail the assets and liabilities and results of the operations of the Association.

9.2.5 Form of Records. The Association shall maintain its records in written form or in another form capable of conversion into written form within a reasonable time. "Written form" does not mean paper form.
