

Dear Somerset Village Resident,

In an effort to simplify the guest parking registration process, residents may now register their guest vehicles directly at the following link:

Link: **lonestartowing.us**

Username: **somersetguest**

Password: **guest**

This will eliminate a step in the process of waiting for a volunteer Board Member or Manager to register your vehicle and get back to you with a confirmation. Once you have registered, an email will be sent to you immediately with a confirmation of your overnight guest pass (up to 7 days).

You may also scan the QR code below to get to the link.

Thank you,

Rich Wells
Somerset Village HOA
