Holiday and Other Special Occasion Lighting

Reminder: Owners and residents may not install Holiday or other special event lighting on eaves, roofs, and gutters. Eaves, roofs, and gutters are fragile and installing this lighting inevitably leads to damage to these areas. The Homeowners Association can ill afford these repairs. Any associated cost will be passed on to the individual homeowner.

Neighborhood Watch

In the past during the holidays there have been reports of some robberies in the area. Residents have reported that packages left on their steps have been stolen. If you see any suspicious behavior please contact the Provo city police immediately and please remember to lock your entry and garage doors.

Maintenance Report

In preparation for slippery winter conditions, we will place buckets of concrete-safe ice melt throughout the property for individual resident use. Please contact TPM (801-375-6719 ext. 115) if you need your bucket refilled.

We have had a busy fall at Arlington. Other recent maintenance projects included our biannual cleaning of the rain gutters and replacing the final 3 roofs.

Cleaning Up After Pets

We want to remind all Arlington residents to clean up after their pets. Dog feces and urine are damaging the lawns. Please clean up after your pets. The cost of clean-up, grass replacement, and fines will be charged to those not cleaning up after their pets.

We want to thank you for your help and cooperation. We look forward to meeting the needs as best we can of all Arlington Place homeowners and residents. If you have specific concerns, please feel free to contact Glen Jensen at 602-315-4483 or Rich Wells at 801-375-6719 ext.115 and we will try to assist you in every way.

We wish you all the best!
