

REMINDER: THE CEDARS TOWNHOMES WILL NO LONGER PROVIDE BULK INTERNET AS OF NOVEMBER 1, 2023. IT CAN TAKE 10 -14 DAYS TO GET A NEW PROVIDER SET UP. WE DO NOT WANT ANYONE LEFT OFFLINE. PLEASE CONTACT THE INTERNET COMPANY OF YOUR CHOICE TO SET UP SERVICE AS SOON AS POSSIBLE. LANDLORD OWNERS PLEASE MAKE SURE THE OCCUPANTS OF YOUR TOWNHOME ARE MADE AWARE OF THIS CHANGE

Attention Cedars Townhomes Homeowners and Residents,

Effective November 1st, 2023 the HOA will no longer be paying for internet services through **Ubiquity**. If you would like to continue services with them after this date you are welcome to reach out to them to set up an individual contract. Please see the attached **Ubiquity** flyer for details on pricing and contact information to retain the current services.

Or if you prefer to switch to Fiber internet for faster speeds and more stability see below for more details on Utopia Fiber internet

As of now the installation for **Utopia** fiber has concluded and some owners have already started getting services set up for their homes. If you would like to start the process of getting fiber internet for your own home please see the attached **Utopia** documents or visit the links below that the Utopia representative has also shared for more information.

For the website you can sign up here:
