RECORDED FOR LAKECREST HOMEOWNERS ASSOC

It is proposed that the BYLAWS of Lakecrest Estates Condominium #1 be amended as follows:

Pets kept in the condominiums shall be restricted to small house dogs (not over 25 pounds), domestic cats and birds; and shall be limited to one dog and one cat per unit. Members having pets shall observe the following restrictions:

- a. If the pet or pets cause any disturbance, such as barking or committing any other nuisance annoying to neighbors or residents, permission to keep the pet or pets causing the disturbance shall be revoked.
- b. Any pet, when not inside the unit, shall be kept on a short leash or carried. Pets allowed to run loose in the common area will be turned over to the animal shelter.
- c. Owners or tenants shall not permit any pet to invade the premises of any other owner's or tenant's homesite, flower beds, shrubs or lawns of the common area.
- d. No pet shall be left unattended in the common area.
- e. All droppings from pets shall be promptly removed and disposed of by the owner.
- f. Pets belonging to guests shall be required to comply with these same restrictions when in the common area.

Owners and tenants keeping pets shall indemnify Lakecrest Estates Condominium #1 and the Board of Directors and hold them harmless against any loss or liability of any kind or character whatsoever arising from or growing out of having any animal in the development.
